

Cover the gear. Start the show.

A DJ booth reduced to a single white line.

EVOLUTION PRO in piano white.

modek.es · info@modek.es · Madrid, Spain

Where it ends up

Shut, it reads as a console table. Open, it is a full booth in about ten seconds.

A ROOM AT HOME

Two CDJs, a mixer and the records within reach.

A KITCHEN

Sunday afternoon, the island doubles as a booth.

A PUB

Folded shut before opening, wide open by midnight.

A LIVING ROOM

It sits behind the sofa and nobody calls it equipment.

A BOUTIQUE

A display table on weekdays, a DJ set on launch night.

Two models, one body

Both fold flat, hide every cable and are made to order in Madrid.

EVOLUTION

€3,025

VAT included. Shipping not included.

The lid closes over the gear and the piece reads as a console table. Interior 1350 × 460 × 140 mm, sized for two turntables and a mixer.

EVOLUTION PRO

€3,630

VAT included. Shipping not included.

Turntables, CD players and mixer recessed flush into the surface. Every cutout machined to your exact gear, with no frame or gaps.

SHARED BY BOTH

1850 × 500 × 1050 mm · folds down to 140 × 50 × 50 cm · around 50 kg · 3-piece kit · four built-in cable outlets, no visible wiring · piano white, piano black, graphite grey or your own RAL · laptop stand in 10 mm clear acrylic, €240 — shipping included when ordered with the booth.

Still behind the decks?

We would love to see where your MÖDEK ended up — send us a photo. And if you ever need a spare part, a replacement laptop stand or a new booth, just write to us.
